

# Choose Lacey Drug Company For Your Flu Shot Clinic!

Lacey Drug Company makes it easy for you to hold a flu clinic at your place of business. What do you need to do? Get at least 20 people (employees, family members, etc.) who want the flu shot. We do everything else!

- ⇒ Cost: \$25.00 per person
- ⇒ Payment: Cash, check, credit card, or invoice

Lacey's provides all supplies and paperwork, including promotional flyers and lollipops!

We can vaccinate 50-60 people per hour with 2 vaccinators. We'll schedule the clinic any time of day that best suits your work force.

The CDC says an adult with the flu will miss an average of 7 days of work. Statistics show that there are between 25-50 million cases of flu in the US each year and up to 111 million work days lost, costing over seven billion dollars to businesses in sick days and lost productivity.

Schedule your flu clinic today. Make it convenient for your employees to get vaccinated!
